Early Years
The Army and Montana State University	2
Hydrology and Hydraulic Engineering	4
Backwater Studies	7
Benefit Cost Ratios	9
Irrigation vs Flood Control	11
Water Quality	19
Al Cochran and Gail Hathaway	23
Fort Peck District, 1953	24
The Theory of Hydrology	27
Dam Safety and the Big Flood	31
The Gap Between the Scientific and the Practicing Engineer	36
Projects Related to the Garrison Dam	41
Hydrologic Engineering Center (HEC)	43
Waterways Experiment Station (WES)	47
People	
Leo R. Beard and the Hydrologic Engineering Center	48
Lloyd Duscha	53
Francis Slichter and Wendell Johnson	53
Redesigning Projects	55
The Distinction between Hydrology and Hydraulics	56
More People	
Major General John Wall	60
Margaret Petersen	63
People to Talk to in the H&H Field	64
Career Ladder in the H&H Field	66
Professional Development Program for H&H	71
Computers	74
Floodplain Management	77
James E. Goddard	78
Ground Water Studies and the United States Geological Service (USGS)	84
The Bureau of Reclamation and the Soil Conservation Service (SCS)	89
Section 221 Agreements	91
Floodplain Management	93
The Federal Engineer	98
The Federal Energy Regulatory Commission (FERC)	99
William R. Gianelli	101

Office of the Chief of Engineers	106
Geostationary Orbiting Environmental Satellite (GOES)	107
Modeling and Predictions	109
The Environmental Protection Agency (EPA)	115
Hydropower.....	120
Office of Research and Development (ORD)	121
The Directorate of Civil Works	126
More People	
Bory Steinberg	127
Lloyd Duscha	127
Major General Charles I. (Chuck) McGinnis	129
Major General Jackson Graham	129
Major General Joseph K. Bratton	130
Joe Tofani	132
Alex Shwaiko	134
Joe Auberg	135
Augie Smet	136
Committees and Jake Douma	137
Hydraulics & Hydrology	139
Two Types of Personnel in the Corps: Lew Blakey and Al Cochran	144
Survey Reports	146
ASA/CW Review of Work	147
Dam Design Criteria	148
Safety Problems	151
Stormwater Management	
Chicago	154
St. Louis	156
New Orleans	156
Forecasting and Estimating Flows	160
Sediment and Debris	161
The Chesapeake Bay	166
More about People	
Hans Einstein	167
Jerry Ackerman	168
